'Cinnamon + sidewalks, seeps < sleeps'

Marked with the time stamp "2015," an eleven-inch platform elevates the gallery floor. Three birch boxes – stained black, laser etched and dotted with a kernel of powder printed popcorn – dip into the platform's surrounding trench. Each hides a hammer's head behind a mirror. A galvanized necklace strung with avocado pits encircles the platform; buds of laser toner held fast by rare earth magnets define its ends. Beside an etched photograph of a landscape, the blackened tips of intertwined hand tools smudge the wall.

Special thanks to Artur Kotarba and Steve K. Chiu who have provided the sketches for 'Cinnamon + sidewalks, seeps < sleeps' documentation, which is featured at tomorrowgallery.info.
